2017

Current Installment Balance	\$4,264.00
Anticipated Aid	\$0.00
OSAP Funding to Come	\$4,264.00
Amount Due	\$0.00

What is this? The Net Cost View tells you how much of your tuition installment is not paid by OSAP or Western funding. The Amount Due is the amount you must pay by your installment due date*.

- If **OSAP Funding to Come equals \$0**, Western has received all of the OSAP going toward your current installment or you have chosen to have the funding come directly to you. You are responsible for any outstanding **Amount Due**.
- If your OSAP payment is greater than the amount owing to Western, any leftover OSAP funding will be sent directly to your bank account.
- OSAP information relating to the installment amount shown is based on current information. If there is a change to registration or OSAP entitlement, these amounts may change.
- Students who have questions regarding this OSAP information should visit the [OSAP website](#).
- Students who have questions regarding tuition installments or anticipated aid can contact the Student Central Helpline at [519-661-2100](tel:519-661-2100).
